Description

This carpet board consists of exquisite and old carpets that are more than 30 years old. Even in sewing these hand-woven carpets, pieces of carpets over 100 years old have been used.

BALLOON

The type of carpets used

“ In the sewing of these carpets, we have tried to use carpets that have vegetable colors and are special in terms of the texture and pattern of the carpet.”

— PEACE —

Embrace the elegance of tradition with our line of classic carpets. Featuring intricate patterns and a rich color palette, these carpets are perfect for adding a touch of sophistication to any room. Each is a masterpiece of design, reflecting centuries of artistic tradition and craftsmanship.

FLOUNDER

Our eco-friendly carpets are designed with sustainability in mind. Made from renewable materials and employing environmentally responsible manufacturing practices, these carpets help you make a positive impact on the planet without compromising on style or quality.

_OLD

At Lio land, we believe that a carpet is more than just a floor covering—it's a canvas that reflects your style and enhances your living space. Our commitment to quality and innovation ensures that every carpet we offer is a blend of beauty and performance, designed to meet the diverse needs of our customers.
